

## **HEALTH, SAFETY AND ENVIRONMENT POLICY STATEMENT.**

SADRiNE INFRASTRUCTURE SERVICES (SID) LIMITED is an independent limited liability company incorporated in December 2021. The firm provides a full range of professional engineering consultancy and construction services, to public and private clients. SADRiNE is committed to take due care of provision of a safe and appropriate working environment for its workers and stakeholders. We further recognize that while doing our work, no urgency of work can justify endangering our workers. This Policy caters for all our workers, customers, visitors, contractors, subcontractors among others.

**SADRiNE INFRASTRUCTURE SERVICES (SID) LIMITED** Management commits to achieving high standards of HSE as follows.

- Take all reasonably practicable steps to safeguard the health, safety, and welfare of all personnel under our responsibility.
- Consulting with all staff, volunteers, customers, visitors and members of the community on matters affecting their Health, Safety and Environment.
- Provide sufficient information, instruction, training, and supervision to enable everyone to avoid hazards and contribute to their own safety and health.
- Conduct suitable and sufficient assessment of the Hazards/risks related to our activities in a bid to achieve our target of Zero Accidents during our operations.
- Encouraging Safety and Health Leadership amongst all our stakeholders,
- Thinking Green- to achieve our goal of Zero Pollution to the Environment.
- Setting HSE Objectives and continuously monitor and evaluate the same.
- Provision of appropriate PPE to our workers.
- Investigating and management of incidents in a manner that is acceptable.
- Continuously improving our HSE system

This HSE Policy is to be reviewed annually for suitability or upon achievement of set objectives by the Health, Safety and Environment committee for our continual improvement.
